## Official rules and regulations of the Heavy Duty Pit Crew redemption program

Program available to installers only.

Points awarded for SKF branded products only.

Be sure to include bar codes for prizes in an envelope with completed redemption form.

Enter amount of points being redeemed on the entry form.

Only send bar codes needed for your order.

No credits will be issued for points received which are not redeemed.

No point balances will be maintained at Program Headquarters.

**SKF is not responsible for late, lost or misdirected redemptions.**

Allow 6-8 weeks for delivery of prize.

Installers must use business name and address as the ship-to address for premiums.

Photocopies of bar codes are not acceptable. Only bar codes from original SKF product boxes will be accepted. No reports or invoice copies are eligible for this program.

All prizes pictured on the redemption form are based upon availability. SKF reserves the right to replace an item with an equivalent prize to that shown on the redemption flyer. If a prize is no longer available, SKF will contact the installer and honor the submitted box top bar codes for another prize shown in the program.

Total point redemptions are limited to 150,000 points through program end date of December 31, 2016. Redemptions submitted beyond 150,000 points will not be saved.

No exceptions – For tax filing purposes orders must be postmarked by December 31, 2016 to be eligible for prizes.

Send in redemptions via standard mail. Do not send redemption form and box tops in via UPS, FEDEX or similar methods that do not ship to PO boxes.

A form W-9 must be completed and a FORM 1099-MISC will be issued for prize rewards exceeding \$600 in the calendar year.

The SKF logo, consisting of the letters 'SKF' in white on a blue rectangular background with a red horizontal line underneath.
