HD PLUS DIESEL PARTICULATE FILTERS (DPF)

An alternative aftermarket replacement to OEM filters for the leading OEM filter systems!

Exact Fit Design

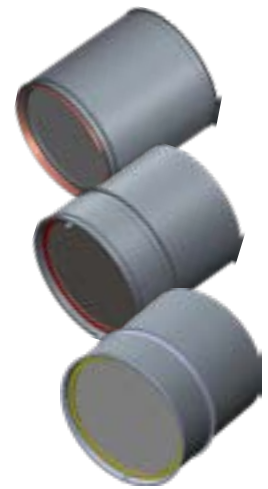

- ▶ **Uniquely design** which makes for ease of removal and installation

Widespread Application

- ▶ Our DPF's are available for engine model years **2007 and newer**. Available also for medium duty, heavy duty and school bus application

Built on Experience

- ▶ **Designed and Engineered by GESI**, top tier supplier in the industry, having 27 years of diesel emission and exhaust knowledge

- ✓ **18 Months Unlimited Mileage Warranty**
- ✓ **Made from high quality stainless steel for increased durability**
- ✓ **Parts are designed and made in North America**

Contact your Traction representative today for more details! Available in store or on order.
